

# 24 Hour Community Access Defibrillators

## Now Available In The Hedland Area

### Be Aware Of These 8 Locations - You Can Save A Life

Port Hedland International Airport has a valued partnership with **St John WA Hedland** supporting vital services where we live and work. Working together made these initiatives possible.

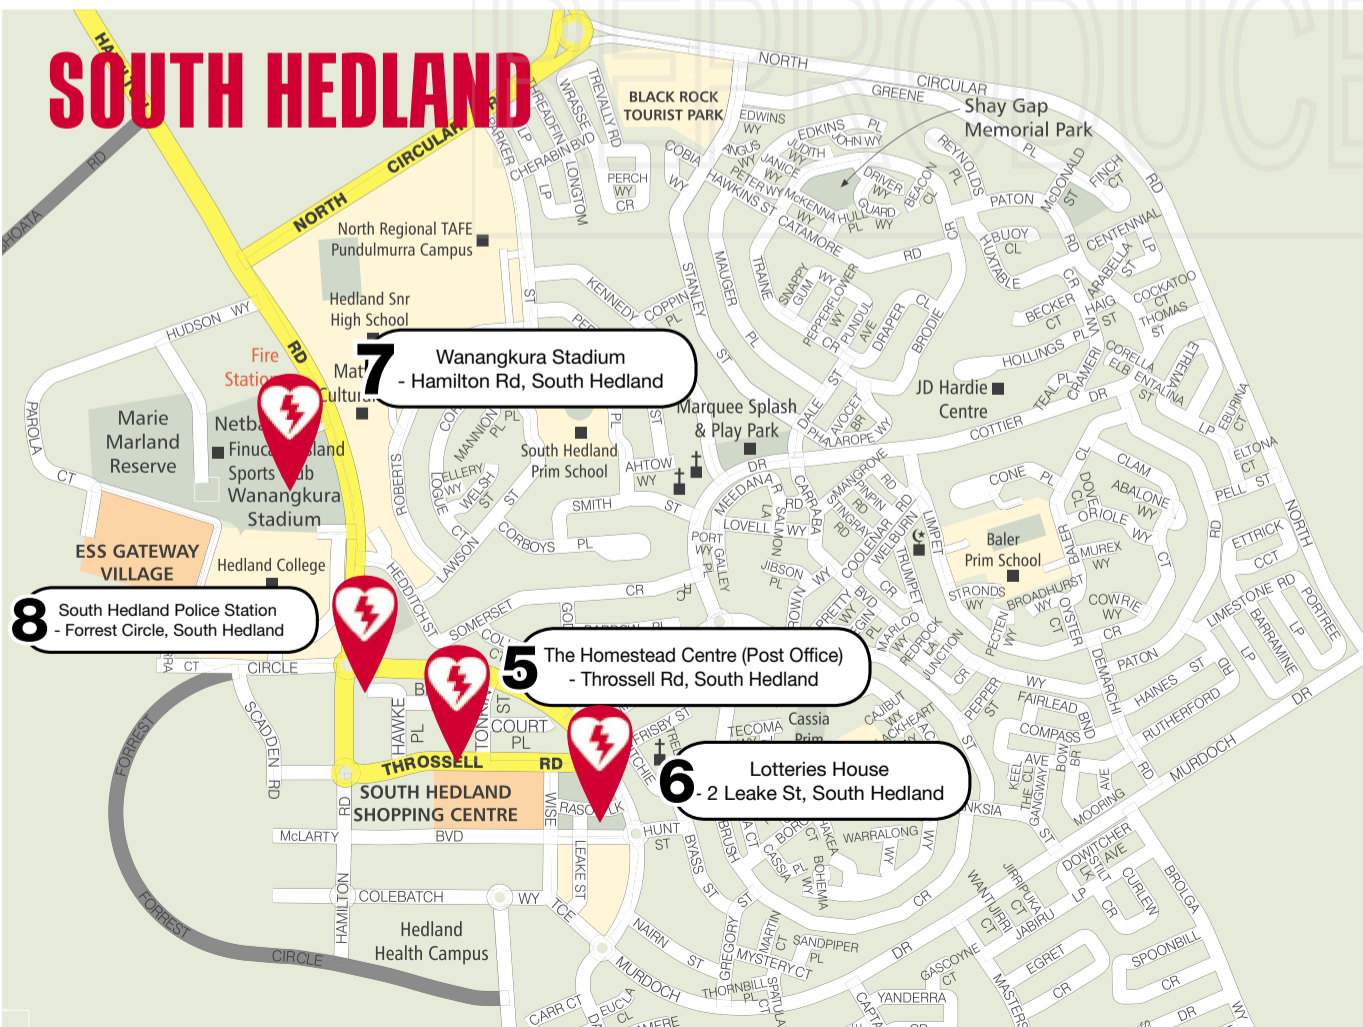

## PORT HEDLAND

**“For Every Minute That The Person Is Not Defibrillated They Lose a 10% Chance Of Survival”**

## SOUTH HEDLAND

Find the nearest defibrillator to your location, install the St John First Responder App – free

Defibrillators, volunteering, first aid training and supplies - contact St John WA Hedland on 9172 1333
